Re: Congratulations to the Graduates of 2020

Dear Graduates:

On behalf of the First Nations Education Steering Committee (FNEsc) and First Nations Schools Association (FNSA), we are honoured to congratulate you on the successful completion of your high school education. This achievement represents an important milestone in the educational journey that each of you are on.

Graduation is a significant accomplishment that requires hard work, dedication, and determination. You should be proud of what you have attained. We recognize that as a graduating class you have faced an unprecedented challenge, completing your studies during a global pandemic. You have demonstrated resiliency and perseverance in adapting to this situation and continuing to pursue your education goals.

We would also like to acknowledge the friends, family, community members, and school staff who supported you in coming this far. We encourage taking the time to celebrate your success with these individuals in mind.

It is our hope that you will continue to build on the knowledge of your traditional values, languages, and cultures, and to enjoy and draw upon the strength and inspiration they provide.

May you continue to learn, thrive, and explore all that the world has to offer. Congratulations on your achievement.

Sincerely,

Tyrone McNeil
President, FNEsc

Clayton Grice
President, FNSA
