

# 60T and 150T Masters - Work Vessels

We are currently recruiting for the position of work vessel Masters with 60T Limited Master and 150T Master Certificates of Competency. As the Master of a Mowi work vessel you will be responsible for:

- the health and safety of the crew, safety and security of the vessel, and for the protection of the environment from pollution from the vessel.
- ensuring that the vessel is operated in full compliance with local, company, and federal regulations, Acts, guidelines etc. applicable to any Canadian commercial marine operation.
- ensuring that specified Mowi policies, operating procedures, and Company standards are strictly observed.
- ensuring that the vessel is maintained according to MHC maintenance schedules, and to Transport Canada requirements.

Working within the Farm Support department, you will ensure support to the sites by providing work vessel assistance by leading crews to ensure the following type of work is executed in a safe and professional manner:

- Site set ups and tear downs
- Harvesting, fish transfers, treatments
- Net handling & rigging
- Movement of freight

#### Qualifications:

- 60T Limited Master and / or 150T Master Certificate of Competency, including the training applicable to your Certificate:
- ROC-M or ROC-MC, Marine First Aid, MED – Marine Emergency Duties
- Valid Seafarer's Medical Certificate
- Crane Certification
- Vessel and equipment maintenance experience
- Self-motivated with leadership ability
- Excellent time management and ability to manage others
- Safety oriented
- Vessel experience in rough weather

**Closing Date:** 5th February 2019

Mowi offers a consistent schedule and the opportunity for growth within our marine fleet. In addition, there is a comprehensive wage and benefits package, and potential for company incentive bonus. To be considered for this position, please submit your resume and cover letter online at: <http://marineharvest.ca/people/employment-postings/>
