We are searching for a

Farm Support Supervisor

The Farm Support Supervisor role forms an integral part of our Operations Support Teams. The role is focused on leading an a Farm Support Team and projects to support our farming operations. This is an Assistant Manager equivalent position; previous management experience is preferred or equivalent experience.

Requirements include:

- Grade 12 plus 3+ years' experience in salmon farming or equivalent combination of education and experience.
- Assistant Manager or equivalent experience
- Demonstrated skills and experience in providing leadership to a team of staff and supporting all aspects of personnel management.
- Good critical thinking abilities, decision-making abilities and sound judgment.
- Highly organized, practical and self-motivated with good communication skills.
- Strong interpersonal skills (i.e. approachable, empathetic) including the ability to develop effective relationships and successfully resolve conflict situations.
- Basic computer skills (e.g. Aqua Farmer, word processing & spreadsheets).
- Highly motivated, positive outlook and positive attitude towards work.

The chosen applicant will be practical, self-motivated individuals with good communication skills. They should be flexible and willing to travel to any of our seawater sites. This position covers farming operations in all Production Areas and is on a full time, permanent basis working a 8 on / 6 off camp-based shift.

Closing date: September 27th, 2018

We offer competitive wages, a comprehensive benefits package, and potential for annual company bonus. Travel to sites is provided as well as food program and required gear. To be considered for this opportunity with a progressive, growth-oriented company, please submit your resume and cover letter online at <http://marineharvest.ca/people/employment-postings/>

Marine Harvest is the world's leading seafood company and the largest producer of salmon. Every day, our 13 233 employees in 24 countries produce 6.2 million healthy and delicious meals, served to customers across the globe. Marine Harvest covers the whole value and production chain, from feed to plate, and through our vision of leading the "Blue Revolution" we are dedicated to farming the ocean in a responsible and efficient way. Marine Harvest is headquartered in Bergen, Norway, and is listed on the Oslo Stock Exchange.
